CURRENT EXPERIENCE

- **.Net Fullstack Developer at AudreeInfotech** Sep2023-Present
- Developed and integrated Web APIs with Angular, enhancing data communication and ensuring efficient client-server interaction.
- Executed seamless data migration in a production environment, mitigating potential risks and ensuring continuity of operations during the transition.
- Implemented a robust solution for bulk uploading Excel data to SQL Server using Angular for the front end and .NET for server-side processing, improving data management efficiency.

PROJECTS

- **Webiste Portfolio**
- Developed a personal portfolio website using Angular framework to showcase skills, projects, and professional experience.
- Utilized Angular for building a responsive interface and Incorporated HTML5, CSS3, and JavaScript for front-end development.
- Deployed the Angular portfolio project on Vercel for seamless hosting and accessibility.
- **Hunting Insider Threat**
- Developed an insider threat detection system using BiLSTM (Bidirectional Long Short-Term Memory) with Autoencoder architecture.
- Utilized the CERT (Computer Emergency Response Team) r4.2 dataset for training and testing the model.
- **Spandana-Website Interface**
- Developed a web application that facilitates a question and answer platform, allowing users to ask questions and receive answers from designated users.
- Integrated XAMPP server for local development, managing the backend database to store user questions, answers, and related information.

SKILLS

- **Programming Languages**
- Java,Python,C,CSharp
- **Web Development**
- HTML5,CSS3,Javascript,TypeScript,Angular
- **Database**
- MsSQL
- **Backend**
- MVC,WebAPI,Git

EDUCATION

Chaitanya Bharathi Institute of Technology, Hyderabad
Computer Science and Engineering
2019 - 2023

Bhashyam Junior College, Guntur
Class XII, IPE **2017 - 2019**

Bhashyam High School, Guntur
Class X, SSC **2016 - 2017**

CERTIFICATIONS

- Ai:Constraint Satisfaction by NPTEL 2022
- Programming with Python by Internshaala 2022

EXTRA CURRICULAR

- Member of StreetCause-CBIT(a non-NGO organisation)
- Coordinator of Shruthi and Sudhee Events

SKILLS

- Strong logical, analytical, problem solving skills and ChatGPT

ABOUT

- DOB : 28/09/2001
- Gender : Male
- Marital Status : Single
- Languages : Telugu, English, Hindi, Urdu
